MRICS (Project Mgt. & QS), MHKIS, RPS (Q.S.), Chartered Project Management Surveyor (UK),

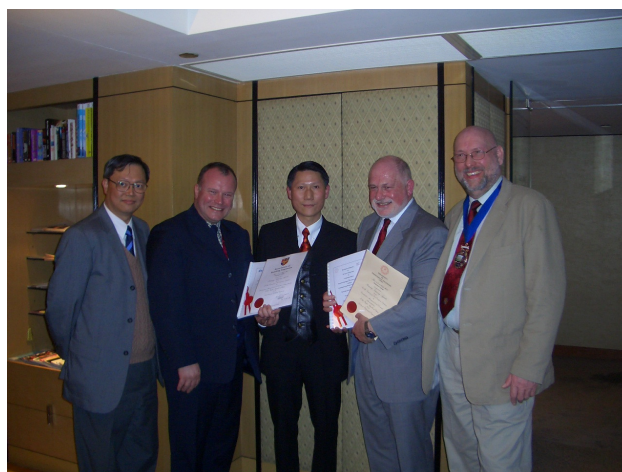

Chartered Quantity Surveyor (UK), Professional Engineer (UK), Chartered Building Engineer (UK)

Principal Consultant, Flaming 21 Limited

Mr. Chow qualified as a Chartered Quantity Surveyor (MRICS) in 1984. He worked as professional quantity surveyor in United Kingdom, Hong Kong, Canada and P.R. China. He was a lecturer in the Building and Real Estate Department of the Hong Kong Polytechnic University in 1980s.

Mr. Chow possesses extensive professional experience in the lights of quantity surveying, construction project management, and contract management in regions of United Kingdom, Hong Kong, Canada and P.R. China over the past three decades. He was the Primary Tutor of the P.R. China Construction Manager Training Scheme in a period from 1997 to 2002, which was jointly organized by the Ministry of Construction P.R. China and Construction Industry Training Authority (CITA) (now re-named as Construction Industry Council Training Academy – CICTA). The Training Scheme intended to sharpen the construction management knowledge and practice of those P.R. China construction officials and professionals from Beijing and other provinces of Mainland China so as to enhance the construction management system in the P.R. China to match with the internationally recognized standard, which was especially crucial upon its joining of the W.T.O.

Mr. Chow has been appointed as the University Visiting Professor by the Bulacan State University, Republic of the Philippines. He also acts as an assessor in the professional interview panel of the Chartered Association of Building Engineers (CABE-UK). Mr. Chow joined the Company as Consultant when the company was founded. He has been appointed as the Principal Consultant in 2004.

In addition, Mr. Chow had honourably been appointed by the U.K. Headquarter of the Chartered Association of Building Engineers as an Honorary Treasurer of the Hong Kong Chapter of the Chartered Association of Building Engineers in a period from April 2007 to June 2013. He is now acting as the council member of CABE.

Mr. Chow has joined the HKU School of Professional and Continuing Education (HKU SPACE) as the Visiting Lecturer and Project Supervisor since 2005 conducting lectures and project application supervision in respects of the following courses:-

- (i) Bachelor of Applied Science (Construction Management and Economics) (HKU SPACE / Curtin University, Australia); and
- (ii) Professional Diploma in Construction Project Management / Facilities Management (HKU SPACE).
